

# Proudly Representing Georgia's PAs 4000 Strong!

**Ability to Practice:** We are committed to ensuring legislative and regulatory environments that allow you to do your job to the fullest potential.

**Education:** Simply put, the BEST CME conferences in the nation – in your own back yard! Discover why attendees from all 50 states flock to GAPA's Summer event – if you've not experienced a GAPA conference lately, you owe it to yourself to see what you're missing.

**Community:** Whether it's on local or state levels or even across the world, GAPA is making a positive difference by "giving back" in the form of philanthropic grants. We've had the privilege of contributing to such worthwhile causes such as clinic operating rooms in Haiti, Good Samaritan Clinic, Migrant Farmworker's Project, and many other programs in support of multiple sclerosis, breast cancer, prostate cancer, cystic fibrosis, and AIDS.

**Public Awareness:** GAPA works hard to make sure the general public is educated on what the PA profession is, how you improve patient care and accessibility, and how you add value to the overall healthcare system.
